LEGISLATIVE COUNSEL'S DIGEST

AB 560, as amended, Goldberg. ~~Schoolsite acquisition~~ *School programs*.

Existing law authorizes a school district to operate a program of year-round scheduling for as few as 163 days in each fiscal year if the number of annual instructional minutes is not less than that of schools of the same grade levels utilizing the traditional school calendar.

This bill would instead authorize a program of multitrack year-round scheduling to operate for as few as 163 days in a fiscal year only until July 1, 2009, and would require these programs to provide not less than the number of annual instructional minutes that schools of the same grade levels that utilize a traditional school calendar provide.

~~Existing law authorizes the governing board of a school district to acquire by eminent domain any property that is necessary to carry out any of the powers or functions of the district.~~

~~This bill would make technical, nonsubstantive changes.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
State-mandated local program: no.
